A Future Worth Reaching!

REV TAN KAY KIONG AND REV TONY YEO, SENIOR PASTORS

For an entire week every year, the Senior Pastor's Office "ascend" to Kinabalu Park to intentionally and prayerfully discern the Lord's ongoing spiritual burden and directives for Covenant EFC in the light of her Mission. This is then shared with Covenant EFC's Board and Staff for their collective prayers, discernment and resonance.

Vision 2028 & Beyond, which consists of Five Faith Exploits, is the outcome of such leadership plurality and process since 2012. It serves as a 50th anniversary milestone in our Intentional Disciplemaking Church (IDMC) mission to strengthen every foundation and champion an IDMC movement.

Covenant EFC is called to **grow a Global and Local Movement of IDMC churches.** The ministries of the IDMC Global Alliance (GA) led by Leadership Mentor Rev Edmund Chan, Covenant EFC's Missions in Asia, and the IDMC SG Chapter serve this purpose. Together, these represent our modest initiative and contribution to "return the Church to its disciplemaking roots".

Covenant EFC seeks to be a microcosm of the larger IDMC movement. She must answer God's call to be "salt and light" that **impacts culture and society.** For that to happen, "authentic discipleshap and intentional disciplemaking (ADID)" must exist in godly families and generations "to

reproduce disciples of *A Certain Kind*" – the Christ-mastered kind! Without **godly families and generations**, there will not be any **vibrant and healthy next generation leadership** by 2028 and beyond. Without a thriving local ADID movement in the family and Church, there cannot be an proactive contribution to accomplish the Great Commission "to win the world for Christ".

The plan to acquire a church-home for our third worship and outreach centre in the East is a direct result of Vision 2028 & Beyond. And if the Lord wills, we seek to plant our fourth centre further West in 2021. Bukit Panjang and Woodlands centres will also undergo her capacity enlargement and lease renewal in due course as an integral part of Vision 2028 & Beyond.

Any statement of the future is a statement of faith. If that statement is **of** God and that faith is **in** God, **then** that future is a future worth reaching for!

Vision 2028 & Beyond is the statement of the future. It is a future worth pursuing and reaching because the leadership believes it is of God. Unless God is in it and we see with eyes of faith, it is a mission impossible. God who gave us Isaiah 60:22 as a promise back in 1987 will continue to unfold His work in this generation.

Join us in this faith venture of a future worth pursuing and reaching for!

Last Week's Sermon Summary

Breaking Barriers

SCRIPTURE: ACTS 9:32-11:18 • SERMON: REV TAN KAY KIONG

Introduction

God is on the move to break down any barriers and bring His glorious redemption to this world. This is what Acts 1:8 is all about. See the following verses for the growth movement: Acts 1:15; 2:41,47; 4:4; 5:14; 6:1,7; 8:1,4-5,12-13; 9:31.

Three breakthrough episodes of God's movement and advance near the coastal plain of Judea and Samaria:

- a. The Healing of Aeneas in Lydda (Acts 9:32-35). As a result, Acts 9:35 "All those who lived in Lydda and Sharon saw him and turned to the Lord."
- b. The Raising of Tabitha (Dorcas) at Joppa (Acts 9:36-43). As a result, Acts 9:42 "This became known all over Joppa, and many people believed in the Lord."
- c. The Conversion of Cornelius and his household at Caesarea (Acts 10:1-11:18). As a result, see Acts 10:44-48.

Three breakthrough lessons to advance the Gospel:

A. The Place Matters

The Gospel moves outwards from Jerusalem to Judea and on to Samaria. Peter came from Jerusalem to Lydda and brought healing to Aeneas (about 40km North West of Jerusalem). Then he was summoned to Joppa to raise Tabitha from the dead (about 50km Northwest of Jerusalem). Finally, he was compelled by a vision to go to Caesarea (about 100km North West of Jerusalem) to meet with Cornelius.

Application: Let's get out of our comfort zone and preach the Gospel where it has not been known.

B. The People Matters

The Gospel moves from the Jews to the Hellenistic Jews to the Gentiles. From reaching a pure Jew like Saul to the Hellenistic Jews like Aeneas and Tabitha, to a Gentile Roman centurion Cornelius. The fact that Peter stayed with a tanner shows that God was preparing him to minister to someone totally different from him soon.

Application: It's easy to pray for others but difficult to love them. Helping migrant workers.

C. The Heart Matters

You can see how the Gospel moves from our personal bias and traditions to impartial love and acceptance. Peter had a vision to move beyond his bias and culture to reach a Gentile for Jesus.

Application: The hardest breakthrough is the heart. Domestic worker sent as missionary.

Conclusion

Vision 2028 as a movement.
